Finger Lakes ReUse unveils new Computer ReUse Program – the eCenter!

Ribbon Cutting & Open House - April 15th, 12pm-6pm

Finger Lakes ReUse, Inc., in partnership with the Ithaca Youth Bureau's Computer All Stars Program, is proud to announce the opening of **the eCenter**, a computer reuse program, on Thursday,

April 15 2010.

Please join our board, staff, volunteers, friends, and members of the community at noon on Thursday, April 15, for a ribbon cutting ceremony hosted by the Tompkins County Chamber of Commerce. An open house featuring light refreshments and an overview of the eCenter's facility and programs will follow from 12:15 – 6:00 PM. The eCenter is located adjacent to the ReUse Center in the Triphammer Mall (2255 N. Triphammer Rd. Ithaca, NY 14850).

Finger Lakes ReUse would like to thank all of the supporters that helped to make the eCenter a reality, including Tompkins County Solid Waste, the Ithaca Youth Bureau's Computer All Stars, the Legacy Foundation, Ithaca College's Stone Soup Philanthropy, Lynda Myers Design, the Cornell Computer ReUse Association, Babbage's Basement volunteers, Cornell Cooperative Extension of Tompkins County, Triphammer Development, Sparks Electric Co., The Computer Room, Black Box Computer Consulting, and many other individual volunteers and private donors.

Deconstruction Services

A sustainable alternative to demolition

Our Deconstruction Service efficiently and safely salvages reusable building materials by hand at a competitive rate, creating jobs and implementing sound environmental practices. We offer a wide range of services from

full house deconstruction to smaller scale stripouts for renovation projects. With deconstruction, the vast majority of a building's components can be saved for re-use rather than crunched up and sent to landfills. Since our program began in June 2009, dozens of local homeowners and businesses have used our Deconstruction Service with excellent results.

ReUse Center

Over 50,000 items returned to active use in the local community!

Finger Lakes ReUse opened our ReUse Center at Triphammer Mall in November 2008. Since we opened the ReUse Center we have sold over 2,000 pieces of furniture and over 50,000 total items. All of these materials were donated by community members and local organizations who chose to support reuse rather than send usable goods to the landfill. Here you can find building materials, furniture and housewares at prices 50-90% less than retail. If you are looking for a reused item, stop by! We are open to the public 7 days a week.

Finger Lakes ReUse, Inc. is a nonprofit, 501(c)(3) organization. Donations are tax-deductible.
