Giving is Gorges / ReUse Community Fund

On Friday, August 28, Finger Lakes ReUse will be participating in a new community-wide online fundraising event called Giving is Gorges. One hundred non-profit organizations will be coming together to unite community members around the causes they care deeply about.

We will be introducing a new initiative called the **ReUse Community Fund**.

This fund will provide support to help us grant store credit to people in crisis so that they can access the essential goods and services we offer. Community members facing crisis situations, including extreme poverty, illness, damage from fire and storms, and other

emergencies, will be able to access ReUse Community Fund grants through referrals from our partnering human service agencies.

To make a gift to this cause, or to learn more about the ReUse Community Fund and Giving is Gorges, please [CLICK HERE](#) to be taken to our fundraising page.

Community Support Accounts

We're pleased to announce our participation in [Alternatives Federal Credit Union's Community Support Account](#) program.

For every account you enroll in the program, AFCU will make a donation to the participating non-profit organization of your choice. By choosing Finger Lakes ReUse, you can support our work and help us make an impact in the local community, economy, and environment.

If you're planning to open an account with AFCU, you can ask to enroll the account in CSA at signup. If you already bank with AFCU, you can enroll your account in CSA by asking a teller at the branch.

Eligible accounts include savings, checking, auto and personal loans, share certificates, and IRAs. [For more details, please visit the AFCU website](#) or visit the AFCU headquarters on Route 13 South & State Street.
