Finger Lakes ReUse

*Enhancing community, economy, and environment through ReUse.*

## Support one of our favorite community partners!

The [State Theatre of Ithaca](#) is bringing the [Golden Dragon Acrobats](#) to town! Their show, *Cirque Ziva* goes on at 3pm this Saturday, March 7th!

Tickets and more info available [here](#).

## And what have we been up to lately, you might ask?

We have been busy this winter, gearing up for an expansion into our soon-to-be-open Ithaca ReUse Center. The start date is still To Be Determined, but we are planning on a spring opening, dependent somewhat on the final construction schedule.

We are excited to be developing the Ithaca ReUse Center as a convenient and accessible location for used materials to be exchanged, as well as a vibrant place for people to find meaningful experiences through living wage jobs and job training opportunities. We are pleased to be working in partnership with the [Sustainability Center](#) as we develop tools to educate the community in all things sustainable.

We are currently looking to expand community involvement through our various planning committees. If you are interested, please [sign up here](#).

And we are delighted to have had tremendous continuing support from the [Park Foundation](#), [Tompkins County Solid Waste Management Division](#), the [Ithaca Urban Renewal Agency](#), the [Community Foundation of Tompkins County](#), [Tompkins County Area Development](#), [Triad](#)

Foundation, [Tompkins Charitable Gift Fund](#), the [Legacy Foundation of Tompkins County](#), and New York State, including a recent award of \$1.89 million to support the construction of a LEED certified building (slated to begin in 2016).

None of this would be possible without the guidance of our many community advisors, and our partners' strong commitment to our triple bottom line mission to enhance community, economy, and environment through reuse.
